Tax reform is the process of changing the way taxes are collected or managed by the government and is usually undertaken to improve tax administration or to provide economic or social benefits. Tax reform can include reducing the level of taxation of all people by the government, making the tax system more progressive or less progressive, or simplifying the tax system and making the system ...

Campaign finance reform is the political effort in the United States to change the involvement of money in politics, primarily in political campaigns.. Although attempts to regulate campaign finance by legislation date back to 1867, the modern era of "campaign finance reform" in the United States begins with the passage of the Federal Election Campaign Act (FECA) of 1971 and, more importantly ...
