

main currents in cultural pdf

German culture has spanned the entire German-speaking world. [citation needed] From its roots, culture in Germany has been shaped by major intellectual and popular currents in Europe, both religious and secular. Historically, Germany has been called Das Land der Dichter und Denker (the country of poets and thinkers). There are a number of public holidays in Germany.

Transhumanism (abbreviated as H+ or h+) is an international philosophical movement that advocates for the transformation of the human condition by developing and making widely available sophisticated technologies to greatly enhance human intellect and physiology.. Transhumanist thinkers study the potential benefits and dangers of emerging technologies that could overcome fundamental human ...

Transhumanism - Wikipedia

Many academic disciplines have formally theorized culture as socially learned information that can influence beliefs and behaviors. This tool combines methods from anthropology and related areas to create a manual to examine cultural data.
